

Election leaflet: communication accessible version

With the agreement of Malcolm Chisholm MSP, we have adapted one of his campaign leaflets to make it easier to understand.

This has been done by:

- adding visual images to support written text (symbols used supplied by Bonnington Symbol System)
- simplifying written text

Non-accessible version: page 2-3

More accessible version: pages 4-5

Election campaign: non-accessible format page 1

Labour has already delivered:

- ✓ Economic stability and record levels of employment
- ✓ Unprecedented investment in Health, Education and other public services
- ✓ Strong action against anti-social behaviour and violent crime.

Re-elected Labour will build on this in many ways including;

- rebuilding or refurbishing 250 more schools
- tough new community justice schemes where offenders must pay something back to the community
- serious action on climate change including a Scottish Climate Change Bill and a massive expansion of renewable energy
- a full employment agency to get another 100,000 Scots into work
- increase the number of police and double the number of community wardens
- walk-in health centres on high streets and railway stations
- increase opening hours of health centres, clinics and operating theatres
- raise the age of buying cigarettes to 18 and suspend licences of shops that sell alcohol and cigarettes to children
- teach languages and science in primary school with specialist teachers
- extend free school meals to 97,000 more children

For information on candidates, postal voting, voter registration and the new voting system for the council call 07815 962164

Re-elect

Malcolm Chisholm for the Scottish Parliament

Malcolm Chisholm is Labour's candidate for the Scottish Parliament in Leith Walk.

Malcolm Chisholm has represented this constituency for 15 years, firstly at Westminster and from 1999 in the Scottish Parliament. He was Minister for Health and Community Care from 2001 to 2004 and Minister for Communities from 2004 to 2006, leaving the Government in December after voting against the renewal of Trident.

As a Minister and backbencher he has always stood up for local people and has held three constituency surgeries each Saturday for the past 15 years.

To find out more about Malcolm go to www.malcolmchisholm.org or call 07815-962164.

Election leaflet: communication accessible version page 1

- ✓  Good for jobs
- ✓  Good for money
- ✓  Good for your health
- ✓  Good for learning and students
- ✓  Good for your safety

Labour will:

- More and better schools.
- Teach more science and foreign languages in primary.
- Free school meals for thousands more children

- Make people who commit crime pay their community for damage they've caused.
- More Police.

- Get more people into work.

- More health centres that are open more hours and are easier to get to and use.

- Stop selling cigarettes and alcohol to people under 18.

- Reduce pollution to make Scotland and the world a better place to live.
